

# Getting Through, What You Are... Going Through

*"To every thing there is a season, and a time to every purpose under the heavens" Ecclesiastes 3:1*

## Lesson Two

### "Getting Through what you're going through by using what you have"

Dr. Dye recapped Lesson 1. She gave us 2 focus points:

Point # 1- "Knowing what you already have"

Point # 2 - "Using what you already have"

The following is an overview of the audio lesson- Please review and stay encouraged 😊

#### **I. DEFINITIONS**

(The Vehicle, the Gas, the Power, the Key)

1. The Vehicle = You- You are the vessel which God can move
2. The Gas = The word of God
3. The Power = The holy spirit
4. The key = Your faith

**"For by grace you have been saved  
through faith; and that not of  
yourselves, it is the gift of God..."**

**Ephesians 2:8**

## II. Overview- “Knowing what you already have”

**Dr. Dye’s Charge-** “If you don’t know where you’re going how will you know when you get there?”

We are on a trip from earth to glory we must use what we already have.

### **Dr. Dye Quote:**

“Only by the Holy power of God can we get through everything we go through.”

God is going to send a comforter to you; the comforter is the one who will strengthen you. Remember that Jesus and the Holy Spirit are one!

“We have the promise to be led in every situation.”

### **The Vehicle**

- ✚ We are vessels that must bring forth glory to God
- ✚ You are a vessel which is the vehicle for God to use to bring forth Glory

### **The Gas**

- ✚ The gas is the word of God; the vehicle can’t move if it’s not filled with gas. Fill yourself up with God’s word so you can move from Earth to Glory
- ✚ Don’t drag your past with you; Let the past stay in the past so that you can move your vehicle forward.

Christ was our ultimate example of going through; he suffered through the cross so that he could see past what already was.

We now have joy because Christ looked past all the suffering; rise up and walk in the new path

### III. Overview- "Using what you already have"

#### The Power

- ✚ Understand we have the gift of the Holy Spirit; we are nothing more than dirt and breath
- ✚ It is because of the light of Christ that we are able to be light.

\*\*Remember that God has a plan for your life- All things work together for the Good because we Love the Lord and are called according to his purpose.

- ✚ We already have victory simply because we are in Christ
- ✚ All things are under our feet- Look at all the things you do not see; stop focusing on only what you see.

#### What does God see in you?

Sometimes when you are going through you may have to get up at Midnight might be what you need in order to get through what you're going through

- ✚ Joy is going to come in the morning; but until morning give a praise in the midnight
- ✚ We are all sisters; we are all going through! You are not alone!

Bible example; the story of Gideon

- ✚ Gideon means to tear down-
- ✚ Gideon and his army tore down the enemy; just as Gideon "tore down" his enemies we must also "tear down" the strongholds that take us away from God.

There are people who will hurt you! We can find ourselves having a tantrum, wanting things our way verses God's way. Sometimes we allow ourselves to get into a pity party, but we have to use our Holy Trumpet in order to defeat the enemy.

The power is not the vessel but what the vessel holds.

#### The Key

- ✚ Activate your faith
- ✚ Fill your vehicle with the word of God and keep moving from Earth to Glory
- ✚ Use your key to activate the power once you watch your vehicle move you will be prepared to keep on getting through what you are going through.
