### **Lesson 18 Part 1- Re-Cap** **Created unto good works**

*In recent news there have been numerous wildfires; upon an interview with one of the chief firefighters; he stated that one-way fighters combat the oncoming fires is to do a control burn; where they burn down things in the path that could add to the wildfire. Fire will not go where it has already been burned; the firefighters are then able to stay in the safe place and defeat the oncoming wildfire  
Sister you are in the safe place because Christ has already removed the stuff that can fuel the enemy. You can rejoice because your place has already been prepared*

#### **The Reason for the letter**

- o You are God’s workmanship; created with purpose and by design
- o You were chosen before God created the world; God chose us to be in the right place at the right time
- o There is grace in salvation, who you use to be does not have bearing on who you are now. God has created good works; “You are the good work”
- o You are created for God’s purpose; get out the way of your own purpose and get into God’s purpose for your life.
- o You once lived in your own purpose but now that you are in Christ; you are God’s good work. You no longer have to live in the way you once were; be renewed by living in the word of God
- o Renew your mind daily so you can understand God’s will
- o Transforming is not something that happens over night; this Christian life is one of progression. You are constantly growing in the stature of the Lord.

## Lesson 18 Recap | 11/22/2021| “Created Unto Good Works” – Eph 2:10

### What are them?

- Phil 4:6- There is a good work that is beginning in you; God is doing a work in and through you
- We are to work out the things that God is working in; God’s word is the seed that is to be planted in you.
- When a seed is cultivated, it grows into whatever is planted within them; God has planted seeds within in you so that you can grow into righteousness
- You are created to give God glory and honor; it’s not about you but all about God
- Growth is a process, but you must grow up into what God has prepared
- Works of righteousness is a lifestyle; you must work what has been put inside of you
- You can’t control what God has placed inside of you; allow God to mold and make you into what he wants for you.
- God wants you to live what he is putting into you
- The “them” is the good work that you are doing; great works are good but if your heart is not right then your work is in vain
- The work that you do is not in vain when you are doing it for Gods’ glory
- When you work what is being put in; we then show God’s purpose in and through us
- Your work is to Hear Believe, Act : it’s in your character; allow your light to shine
- Your work is to do as God commands; be first and then do
- Be obedient to God’s word; you have no right to judge
- Sometimes you will miss the mark; when you do confess it and get back to being planted all that is within you
- You are giving birth to a seed, cultivate the seed that is within you.
  - Cultivate the seed by attending lady’s class
  - Cultivate the seed by reading God’s word
  - Cultivate the seed by attending worship
  - Cultivate the seed by listening to spiritual songs and hymns
  - Cultivate the seed by attending workshops, gospel meetings, seminars

Lesson 18 Recap | 11/22/2021 | “Created Unto Good Works” – Eph 2:10

**Making Bread**

*To make bread; you must add yeast; before the yeast can be added to the other ingredients it has to be prepared. This is done by putting it in lukewarm water and having it in a separate environment. Once the yeast and water have combined then it get added to the other ingredients which then forms into dough  
To get the dough ready to form into bread there is a kneading that must take place. Sometimes the kneading can take a bit of time; but the dough must be turned and beat for the ingredients to work together  
After the blending the dough is put into a container set in a warm environment  
If the dough is not set and combined correctly then it won't form*

*The dough had to be beat down for it to rise  
The more you are beat down the higher you will rise*

*When others see that the Holy Spirit is the activating agent in your life you will swell up spiritually*

*It's okay to swell up in the Lord!*

#### **What are them?**

- The more that you are beat down the more that you will swell up and begin to rise in the Lord.

#### *A lesson in faith*

*A man named Charles Lundin was the 1<sup>st</sup> to walk across a tight rope 160ft above Niagara Falls. Each time he would cross he would do something different one day it was holding a sac of potatoes another was a wheelbarrow*

*He asked “Do you believe I can carry a human across in a wheel barrel? The crowd said yes! Then he replied then who will be the 1<sup>st</sup> to volunteer? No one rose up to get in*

- Will you act on your faith? Will your actions prove what you believe?
- Noah took God at his word; he preached for 120 years and said “it’s going to rain...true faith is demonstrated in your actions.
- Faith doesn’t question; it simply acts
  - Do you believe all things work together for the good?
  - Do you believe you can be joyful in the midst of turmoil?
  - Do you believe to do good to those who spitefully use you?
  - Do you believe the battle belongs to the Lord?
  - Do you believe you can tame the battle of your tongue?

## Lesson 18 Recap | 11/22/2021| “Created Unto Good Works” – Eph 2:10

- On God’s word we must live and grow both day and night; you are not an overnight wonder; you are continually growing
- If you believe the word, you shall be like a tree planted by the waters; you will grow up into the light
- Your life is a life of living and being steadfast; be 1<sup>st</sup> than you do; it’s all about the vertical and horizontal

### *A story in faithfulness*

*A sister received a call from the Lord that he was coming to visit; she had a Martha spirit as she anxiously prepared for the Lord. While preparing a little girl came to the door; a little girl came to the door asking for a jacket because she was cold. The Sistar told her to leave and go check the shelter down the street.*

*The doorbell rang again and there was an older lady looking for bus fare. She told the lady she did not have time and that she should walk to where she was trying to go. Again, the doorbell rang again and this time an old man with a cane came to the door. He asked for something to eat because he was starving; the Sistar turned him away because she was expecting an important visitor and didn’t have time.*

*She finally got the house prepared and waited for the Lord to come; he didn’t show up. Suddenly she received a call from the Lord; and she called out “Lord where are you?” He reminded her of the little girl, the old lady, and the old man all of which she turned away.*

Sistar you are made in good works unto God the father!  
 The works that you do are the works that will follow you unto Glory!  
 The works done in Love will Glorify God in all that you do!
